

A Touchstone Energy® Cooperative 

Marketing/Communications Specialist

Clay-Union Electric is seeking a highly motivated individual to deliver the cooperative message to its members, employees and the surrounding community. This individual must be able to demonstrate the four core values of Commitment to Community, Innovation, Integrity and Accountability. A few of the duties of this position would include creating the monthly newsletter and advertising along with promoting marketing programs to our members. There may be some travel involved, mostly local, when working with schools and/or other organizations promoting safety and educational programs. Please go to our website for more duties and qualifications. www.clayunionelectric.coop Qualified candidates should complete an application from our website and send a cover letter with the application to clarson@clayunionelectric.coop by March 1st, 2018.
